Department of Performing & Fine Arts  
 School of Arts & Sciences  
 Academic Core 1A12 | 718-262-2400

The following is a **suggested** plan of study for completion of this degree program.

The goal of a Major Plan is to ensure that students who completed an Associate’s Degree (AA or AS) graduate with no more than 120 credits and in two years.

- All students should speak with an academic advisor about their academic programs.  
**This document is not a substitute for academic advisement.**
- Students are encouraged to take Winter and Summer courses to facilitate their progress towards graduation.
- Transfer students may not need to take all courses in the plan; they should consult with an academic advisor.
- This plan requires transfer credit for the following courses:
  - ENGL 125 (English Composition I)

- York students are required to complete (pass) three (3) Writing intensive (WI) courses: two (2) in the lower division (100-200 level) and one (1) in the upper division (300-level).
- If you transferred to York College with an Associate’s Degree (AA or AS), or with credit for all General Education requirements, you are exempt from completing two (2) of your lower division (100-200 level) Writing Intensive (WI) courses. You must still complete one WI course in the upper division (300-level) within your major. If your major has no upper division WI course, you must take a WI course chosen in consultation with your major advisor.
- B.A. students must complete 90 credits of liberal arts – See Bulletin.
- Students are strongly encouraged to select a Minor program of study, in consultation with an academic advisor, especially those planning to attend graduate school. Minor courses would replace the “free electives” in the Two-Year Plan.
