# OUR GOAL

The Muslim Student Association (MSA) at York College is dedicated to fostering a strong sense of community among Muslim students. One of our primary objectives is the provision of a suitable prayer space for Muslims on campus. Our goals for this semester include maintaining a convenient and accessible prayer area for students as well as organizing meaningful community events, insha'Allah.

Our goal is to enhance the spiritual and social well-being of our members, strengthen our bonds, and promote a supportive and dynamic Islamic environment at York College.

"And hold firmly to the rope of Allah all together and do not become divided..."  
(Quran 3:103)
