

YSOTA's mission is:

To support, advance, and advocate for the educational experience of students in our program, as well as within the school's community. We strive to promote professional development, awareness, and creativity through the use of OT's core values and standards of practice, which guide the profession of Occupational Therapy.

WHO WE ARE

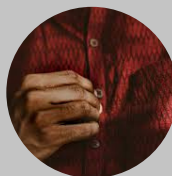

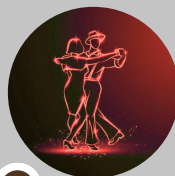

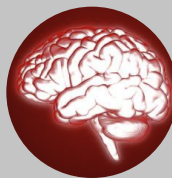

YSOTA is the Occupational Therapy (OT) Association club at York College. We represent the student cohort of the OT program at our university.

  **@ysot_a**

WHAT IS OT?

Occupational Therapy is a form of healthcare and therapy that allows individuals of all ages to participate in activities that they need and want to do in their daily lives- despite any physical, mental, or developmental challenges they may have. This type of therapy often involves the use of specific activities to improve our client's skills, promote independence, and enhance overall well-being

Upcoming Events ...
